

Hotsy Defoamer

North America's #1 Name in
High-Pressure Cleaning Equipment

Concentrated Biodegradable Defoamer
for Aqueous Parts Washers

Anti-Foam

Special Features:

A liquid, biodegradable defoamer for use in parts washer cleaning solutions to reduce and control foam build-up. Hotsy Defoamer will not interfere with the detergents normal cleaning ability. Can be used with all TubMate parts washer detergents, including TubMate Phosphatizer / Cleaner, as it does not interfere with phosphatizing.

Bulk Pak for Cost Savings

Ask your Hotsy Distributor how you can arrange to have your Hotsy Detergent supplied on a regular monthly schedule, pumped into your own HOTSY BULK PAK container, that's plumbed directly to your pressure washers. It's convenient, dependable, clean and efficient.

SAVE TIME, by having a regular monthly service call! SAVE MONEY with our low bulk rates! SAVE the INCONVENIENCE of disposing of empty 55-gallon drums.

Spend some time with a Hotsy Expert

Hotsy has more than 160 local distributors in North America, all factory-trained to properly evaluate your high-pressure cleaning needs.

Over 80% of Hotsy's distributors have been supporting Hotsy systems for more than 20 years.

Your local Hotsy dealer will recommend the best detergent to solve your toughest cleaning problem.
