**DON’T FORGET THE SOAP!**

Hotsy pressure washers clean best when matched with specially formulated Hotsy detergents. Nearly all contain Hotsy’s exclusive advanced-formula HCC additives to help prevent scale build-up and to fight corrosion in your equipment. All are highly concentrated, so a little goes a long way.

**OPTIONS FOR HD SERIES**

- Skid Mount Feet
- Pallet Skid
- Hose Storage

**PARTS & ACCESSORIES**

Your local Hotsy dealer stocks a number of accessories designed to speed cleaning. The most common accessories are telescoping wands, pivot and non-pivot hose reels, flat surface cleaners and high pressure turbo nozzles.

Hotsy dealers also stock thousands of pressure washer replacement parts such as high pressure hose, trigger guns, high pressure nozzles, pumps, unloaders, filters and wands.

**SERVICE & REPAIR**

Hotsy has more than 175 local dealers in North America, all factory-trained to properly evaluate your high-pressure cleaning needs.

Hotsy has factory-trained service technicians who will provide on-site maintenance for your cleaning equipment. Our techs have most common replacement parts on their service truck, and will quickly have your washer running smoothly.
