

Hotsy Orange

North America's #1 Name in
High-Pressure Cleaning Equipment

Concentrated
Biodegradable Detergent

Extra Heavy-Duty

Special Features:

A Fantastic Rig Wash!

This versatile, highly concentrated detergent is a non-caustic, surfactant-based product for safe, fast and thorough cleaning. Hotsy Orange has an in-use pH below 10.5 and is particularly effective in oil and gas drilling applications where oil- or water-based drilling fluids (mud) need to be cleaned. Hotsy Orange is also effective on carbon-based deposits such as road film and exhaust stains, as well as dirt and grease. Safe for most finishes.

Highly concentrated

- A little goes a long way
- Dilution ratio up to 50:1

Competitively priced

- Excellent value for cost
- Economical cost per gallon

High-quality detergents

- Specially designed for pressure washers
- Designed for high temperature cleaning
